

## **Albany Obedience Club, Inc.**

### **Reopening Plan – Phase 4**

- **For Phase 4, the building will be open for all training i.e. Obedience, Rally, agility and scentwork training.**
- **Members are to maintain social distancing at all times with other members, unless they co-habitate. For Inside Training: Face coverings are to be worn AT ALL TIMES. Even when actively working a dog in the ring. (this is due to the increase in building use, pre-set rings being taken down, increase opportunity for members to be within 6 feet of each other)**
- **If outside on the grounds, training or otherwise masks must be worn if you can not maintain 6 foot social distancing**
- **No more than 5 people in the kitchen at a time, maintaining social distancing and complying with mask requirement**
- **All members must enter through the front door and leave through the left side door. Be sure the doors are closed tightly – they sometimes stick.**
- **Members must sign up on the online calendar and receive a confirmation.**
- **Members must sign in on the sign-in sheet (so we can track who's been there) and make payment into the metal box. The metal box and pen must be sanitized afterwards. Sanitation supplies will be on hand. The door handles, both in and out must also be sanitized.**
- **Members may crate out of their cars, or crate in shade under the trees as long as social distancing is maintained. Please do not Drive on the field to the Left of the building (facing the building) that is our Leach field**

- **Members may crate inside only if you bring your own kennel, Dog are not to be uncrated unless working.**
- **Members are to bring their own chairs whether training inside the building or outside.**
- **There will be no dog on dog play allowed, unless the dogs co-habitate.**
- **If the restroom is needed, all surfaces that were touched, need to be sanitized, including the door handles on the front/side door and the restroom. Only one person in the restroom at a time.**
- **When members are finished with the training equipment, the equipment will need to be sanitized where it was touched.**
- **If you've knowingly been in contact with someone who has tested positive or has experienced symptoms and is waiting for results, stay home**
- **If you are not feeling well – Stay Home.**
- **If you have a temperature of over 100 degrees – Stay Home.**
- **If you have traveled to any of the states that require quarantine per governor Cuomo you may not train at the club until the two week quarantine period has been completed.**
- **Members are asked not to bring guests to the club.**
